

Strategic Oil & Gas Ltd. Announces Private Placement Financing of Up to \$50 Million

CALGARY, ALBERTA--(Marketwired - Sept. 23, 2014) -

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR DISSEMINATION IN THE UNITED STATES.

Strategic Oil & Gas Ltd. (TSX VENTURE:SOG) ("Strategic" or the "Company") has undertaken a non-brokered private placement (the "Private Placement") of up to 125 million common shares at a price of \$0.40 per common share for gross proceeds of up to \$50.0 million, subject to regulatory approvals. A significant portion of the Private Placement will be acquired by insiders, including Bay Partners Resource Funds, Tom Claugus, other directors and management of the Company.

Net proceeds of the Private Placement will be used to repay indebtedness and fund the Company's ongoing Muskeg horizontal well drilling program. Shares issued will be subject to a hold period expiring four months from the date of issue.

ABOUT STRATEGIC OIL & GAS

Strategic is a junior oil and gas company with a dominant land position of 500,000 acres in Canada. Forward-Looking Information

This news release includes certain information, with management's assessment of Strategic's future plans and operations, and contains forward-looking statements which may include some or all of the following: (i) anticipated financings and use of proceeds; (ii) private placement to be acquired by insiders; and (iii) ongoing drilling programs; which are provided to allow investors to better understand the Company's business. By their nature, forward-looking statements are subject to numerous risks and uncertainties; some of which are beyond Strategic's control, including the impact of general economic conditions, industry conditions, volatility of commodity prices, currency fluctuations, imprecision of reserve estimates, environmental risks, changes in environmental tax and royalty legislation, competition from other industry participants, the lack of availability of qualified personnel or management, stock market volatility and ability to access sufficient capital from internal and external sources, and other risks and uncertainties described under the heading 'Risk Factors' and elsewhere in the Company's Annual Information Form for the year ended December 31, 2013 and other documents filed with Canadian provincial securities authorities and are available to the public at www.sedar.com. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The principal assumptions Strategic has made includes security of land interests; drilling cost stability; royalty rate stability; oil and gas prices to remain in their current range; finance and debt markets continuing to be receptive to financing the Company and industry standard rates of geologic and operational success. Actual results could differ materially from those expressed in, or implied by, these forward-looking statements. Strategic disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
