

Dene Tha' Cultural Road Show

Attention: All Dene Tha'

The DTFN Departments of Education, Lands Department and Economic Development are holding a "Cultural Road Show" on July 5th and 6th, 2013, in Chateh during Treaty Celebrations

If you ever wondered what that artifact that's been collecting dust in your closet is, bring it in and experts, including archaeologists, will be on hand to help identify it. Think "*Antiques Road Show*", but with a Dene Tha' twist. This could be stone tools, bone objects, rocks, moss bags, hide scrapers, etc.

Also, if you have any old pictures of Dene Tha' people and activities on the land, bring those in too, as the DTFN Lands Department is looking for photographs to support Dene Tha' rights and interests in our traditional lands. The DTFN may want to use your artifacts or photographs.

Don't miss out on this event. Bring in your old artifacts and photographs during Treaty Celebrations.
